

No.B7.35402/2011.

Based on the two accidents occurred recently in the quarries of the District, total banning of blasting operations in the entire district has ordered. A Committee have constituted to review the operations of granite quarries and examined the permits and licenses produced by the quarry owners.

First sitting was held on 13.06.2011. Details furnished below.

Total applicants received	No. of permitted quarries without any condition	Conditional order issued quarries	Balance
112	6	18	88

The conditionally ordered quarries have directed to furnish the agreement of blast men Certificate and concerned Panchayath licence within 7 days time.

The second sitting was held on 15.6.2011. The details furnished below.

Total applicants received	Allowed quarries without any condition	Conditionally ordered	Rectify cases	Balance
34	3 Nos.	3 Nos.	10 Nos.	28

More over M/S Sivamurugan Granites, RJK Enterprises, KP Enterprises have submitted their documents and informed that they have quarried Granite Dimension stone as per the quarrying lease

issued by the Director of Mining and Geology and there is no blasting in the quarry instead of wire saw cutting machines are used for the extraction of the Granite Dimension stone. They have also produced the Court Orders. One to these reasons, they have exempted from the ban. Hence 19 numbers of quarries are functioning with valid licenses and 11 Nos. of quarries are functioning with conditional order.
